

# GDPR TRAINING

Training for OGRA Licence Holders

# GENERAL DATA PROTECTION REGULATION (GDPR) TRAINING

## ABOUT THE COURSE

This interactive, workshop-focused training session is designed for essential role holders employed by companies licensed by the Isle of Man Gambling Supervision Commission. The workshop aims to enhance comprehension of data protection principles, emphasise the Data Protection Officer's role, and offer hands-on advice regarding crucial factors within internal systems and procedures.

## WHAT'S INCLUDED

- Data protection principles
- Data subjects' rights
- The Information Commissioner and their role
- Data breach mitigation and management
- Role of the Data Protection Officer
- Practical guidance
- Customer onboarding process
- Marketing considerations
- Regulator guidance
- Case studies – failings and fines

## SESSION DETAILS

Cost	Bespoke packages available
Time	1 x 2-hour session
Availability and Delivery	Year-round. Available in person or virtually
Capacity	Unlimited session attendees

## MEET THE EXPERT

### NICK WRIGHT, PC.dp. Chief Operating Officer

Nick is a former GSC Inspector, approved Director and MLRO.

Nick is a Certified Data Protection Practitioner and holds multiple Data Protection Officer positions and assisting operators in the creation of policy frameworks and assessing their GDPR compliance.
